[The Green Valley Ranch](#), led by CEO Ernest Flagg and Team TGVR, is proud to announce the official opening of Atlanta's newest exclusive, most natural outdoor venue and private retreat - The Courtyard at The Green Valley Ranch. See Flagg's interview on The Voice Spotlight with Mr. Spencer: <https://youtu.be/1GT1N0iFVEA> Situated outdoors and within the heart of nature come one of the most serene environments to host your next special event. TGVR promises to deliver an unparalleled event experience for guests seeking both luxury, tranquility and something far from industry norm.

Why is TGVR the best outdoor event venue & private retreat? "This not the Airbnb or VRBO concept or model and in actuality it almost like the reverse of those industries. We've created a space that look and feels as natural as the life-given skin we wear for most outdoor events to transpire," commented Ernest G. Flagg, CEO of The Green Valley Ranch. "TGVR combines the coziness of traditional design with the freshness of contemporary appeal, resulting in an environment that's truly one-of-a-kind and renders and experience as if you're in another part of the world. This is the best outdoor venue in Metro Atlanta"

The Courtyard, our door event venue features a variety of amenities designed to enhance any event and complemented by an immaculate land scape appeal, high-definition wall-mounted televisions, surround sound, Pergola with sink, running water, Kamado grille, Habachi grille, Brick Pizza Oven, 5-burner Blaze Grille, Sauna, Jacuzzi for 6 a play area for kid, outdoor restroom with shower and changing area for the baby. The unique atmosphere of The Courtyard sets it apart from other venues, providing guests with a variety of comfortable, immersive areas outside to enjoy and socialize in small groups or just solo if desired.

For those looking to extend their outdoor event into a more intimate indoor setting, The Ranch is the perfect add-on. While TGVR is primarily offered as an outdoor venue, guests can enjoy the inside accommodations as an extension of The Courtyard. This option is available **exclusively as an add-on** and is ideal for guests who prefer or even require that indoor comfort. Bedrooms are typically excluded from bookings but can be made available for special occasions such as micro weddings or filming for further enhancing of your venue's versatility.

The Ranch (**in-side**) can comfortably accommodate 30 individuals, a number included within the 65-person maximum for the entire property. With a large, fully stocked kitchen, a business center, a game room featuring arcade games and a gaming station, and numerous other amenities, The Ranch provides added space and comfort for guests to relax and enjoy their time at the TGVR.

In addition to its surrounding area also offers numerous attractions, including Lenora Park, Stone Mountain Park, the Atlanta Botanical Garden, and the Georgia Aquarium, making TGVR an ideal destination for both local and out-of-town guests. This has been called the best outdoor event venue in Atlanta by many visitors even though we are located in Snellville Georgia.

Just 35 minutes from downtown Atlanta and less than 40 minutes from Hartsfield-Jackson International Airport, The Green Valley Ranch is easily accessible while still providing a sense of seclusion and privacy. Whether you're planning a graduation, baby shower, gender reveal, corporate meeting, employee training, couples' getaway, client appreciation, family reunion, or a corporate retreat, The Green Valley Ranch offers a unique and inviting space to host your event.
